ATTENDING PANELISTS

Chairman Greg Thomas, Secretary of Kentucky Transportation Cabinet

William Landrum, III, Designee of the Chair of the Kentucky Public Transportation Infrastructure Authority (KPTIA)

Tony McClellan, Designee of the Commissioner of the Indiana Department of Transportation (INDOT)

Jim Stark, Designee of the Public Finance Director of the State of Indiana (IFA)

Clint Murphy, Indiana Department of Transportation (INDOT)
(Thereupon, the session commenced at 2:35 p.m.)

CHAIRMAN GREG THOMAS: I am going to call

to order the Joint Board for the
Louisville-Southern Indiana Ohio River Bridge
Project. My name is Greg Thomas, Secretary of
the Kentucky Department of Transportation.

Welcome to all. I will start with

introductions. Jim, do you want to start?

BOARD MEMBER STARK: My name is Jim Stark,
and I'm here as the designee for the Public
Finance Director for the State of Indiana.

BOARD MEMBER MCCLELELLAN: My name is Tony
McClelellan. I'm with the Indiana DOT and I am
the designee for Brandye Hendrickson.

BOARD MEMBER LANDRUM: William Landrum,
Secretary, Finance Administration Cabinet for
the State of Kentucky.

CHAIRMAN GREG THOMAS: Thank you. Thank
you. Well, much progress has been made on the
Ohio River bridges project. I guess my only
comment is that I would like to recognize and
extend my appreciation for the true spirit of
partnership, teamwork and coordination between
the two states. And I think it really went
well from my prospective.
BOARD MEMBER MCCLELELLAN: Agreed.

CHAIRMAN GREG THOMAS: Okay. Moving right along, we are going to approve the minutes of the previous meeting. Are there any questions or discussions regarding the minutes?

BOARD MEMBER STARK: Mr. Chairman, I would like to move that we approve the minutes.

CHAIRMAN GREG THOMAS: Motion to approve.

BOARD MEMBER LANDRUM: And I'll second.

CHAIRMAN GREG THOMAS: All in favor?

BOARD MEMBER LANDRUM: Aye.

BOARD MEMBER MCCLELELLAN: Aye.

BOARD MEMBER STARK: Aye.

CHAIRMAN GREG THOMAS: Minutes approved.

Now, I would like to introduce Clint Murphy, who is the Director of Toll Operations with the Indiana Department of Transportation. Next on the agenda is the consideration of Resolution JB 2016-6.

CLINT MURPHY: Thank you, Mr. Chair, members of the Joint Board. I present to you this Resolution JB 2016-6. This Resolution is primarily administrative in nature and authorizes revisions to the Toll System Provider contract between the Indiana Finance
Authority and Kapsch, which was executed on May 12th, 2015.

The first such change, included as Attachment A to this Resolution, is the addition of expenses associated with the source code escrow agreement to be added to Exhibit H of the contract, to allow this expenses to be treated as a Pass-Through cost item. This expense was not initially contemplated under TSP contract, but was later determined to be necessary to protect the long term integrity of the system.

The escrow agreement protects critical system information such as software licenses, source codes and proprietary system information that would allow State Parties' to continue their operation of the RiverLink system if for any reason Kapsch was no longer available to operate this for us.

In summary, this change order authorizes the toll system to provider to treat -- to be reimbursed for the actual amounts invoiced by the Source Code Escrow Service provider under the Source Code Escrow Agreement. The second change order considered in this Resolution,
which was Attachment B to your Resolution, authorizes the Toll System Provider to provide and install a 75 KPA step-down electrical transformer and concrete pad. A step-down electrical transformer is needed to supply power to the East End crossing toll system equipment pad. This expense was not contemplated on either of the WEE East-End Development contract or the Kapsch TSP contract. It was necessary to bring down the power from what was commercially available in the area, at this location, to the 1.208 power needed for the toll collection equipment.

Lastly, this Resolution provides -- I'm sorry, approves the revision to the TSP contract to allow development work to be delivered in smaller testable work packages to allow for system functionality to be provided when needed to meet required delivery schedule. These revisions will not effect the overall scope or cost of work under this contract.

It is the staff's recommendation that Resolution JB 2016-6 be adopted to authorize these changes to the contract as described.
questions regarding JB 2016-6? Any

discussions?

BOARD MEMBER LANDRUM: I make a motion to
approve.

CHAIRMAN GREG THOMAS: Motion to approve.

BOARD MEMBER STARK: I second.

CHAIRMAN GREG THOMAS: A motion to second.

All in favor?

BOARD MEMBER LANDRUM: Aye.

BOARD MEMBER MCCLELELLAN: Aye.

BOARD MEMBER STARK: Aye.

CHAIRMAN GREG THOMAS: Motion carried.

And now, Clint, you have next on the

agenda is JB 2016-7.

CLINT MURPHY: Yes. Thank you, Mr. Chair.

KPTIA joined the E-Z Pass group this year to
provide access to the E-Z Pass network as
authorized by Resolution JB 2016-1. Under this
membership agreement, KPTIA has access to
preferred pricing options for tolling
equipment, such as E-Z Pass transponders,
readers and specialty tags. This Resolution
would authorize State Parties' Representatives
to utilize these preferred pricing options to
purchase equipment for the RiverLink system, if
financially beneficial, as compared to other purchase options we have currently have.

It's important to note that the passing of this Resolution will not prohibit State Parties' from purchasing under the existing INDOT purchase agreement with Kapsch previously approved by this Board, but would only give us another option for purchasing such equipment in the future if determined to be beneficial.

It is the staff's recommendation that Resolution JB 2016-7 be adopted as proposed.

CHAIRMAN GREG THOMAS: Any questions or discussion?

BOARD MEMBER STARK: I would like to bring up the point that during the initial purchasing of the transponders that we looked at, there were these specialty type transponders that the JB wanted some of them almost new for us -- electronic, so, I mean, I think it's a really good catch that the team made.

CHAIRMAN GREG THOMAS: Sure.

BOARD MEMBER STARK: In looking at these types of transponders as well as what we have, I think that this just shows the team did a lot of good due diligence to bring this aboard.
CHAIRMAN GREG THOMAS: It's a better deal as I understand it.

BOARD MEMBER STARK: Yes.

CHAIRMAN GREG THOMAS: Any other questions or discussion?

BOARD MEMBER STARK: With that, I would like to make a motion to pass.

CHAIRMAN GREG THOMAS: Motion made.

BOARD MEMBER LANDRUM: Second.

CHAIRMAN GREG THOMAS: It's been seconded.

All in favor?

BOARD MEMBER MCCLELELLAN: Aye.

BOARD MEMBER STARK: Aye.

BOARD MEMBER LANDRUM: Aye.

CHAIRMAN GREG THOMAS: Motion carried.

Okay. Clint, while you're there, there is JB 2016-8 for consideration.

CLINT MURPHY: Thank you, Mr. Chair. KRS Chapter 13 (b) requires the establishment of an administrative hearing process by which a person may contest a toll fee or violation.

This requirement was also adopted by reference in Indiana Administrative Code 135 IAC 4-9-3.

This Resolution authorizes KPTIA, on behalf of this Board, to hire administrative
hearing officers pursuant to KRS Chapter 45 (a) and enter into related contracts as needed provide administrative hearings required.

These hearings will be conducted in both the Indiana and Kentucky walk-up center, investigating hearing rooms provided for each of these locations.

Given the need for the hearing office to be available in both states, it is desired that these hearing officers will be license in both Indiana and Kentucky and both states will be equally represented in the hearing officer selection process. The cost of such hearing officers will be equally split between the two states.

It is staff's recommendation that Resolution JB 2016-8 be adopted as proposed.

CHAIRMAN GREG THOMAS: Any questions or discussion?

BOARD MEMBER STARK: Other than to kind of tag along about my first comment about article -- or how well we work together, this whole issue of having to have an hearing officer to help with either establishing a hearing and then working out something, or
working with our collections in the future, is another sign that we have looked at both states laws and worked this out so that it's a much simpler solution and much better solution for both states as we are going through this.

CHAIRMAN GREG THOMAS: Agreed.

Any other discussion?

BOARD MEMBER MCCLELELLAN: I make a motion that we pass Resolution JB 2016-8.

CHAIRMAN GREG THOMAS: Motion made.

BOARD MEMBER STARK: Second.

CHAIRMAN GREG THOMAS: Motion has been seconded.

All in favor?

BOARD MEMBER STARK: Aye.

BOARD MEMBER MCCLELELLAN: Aye.

BOARD MEMBER LANDRUM: Aye.

CHAIRMAN GREG THOMAS: Motion carries.

In terms of old business, do we have any old business to address?

BOARD MEMBER STARK: The only old business I'd like to address is to congratulate this getting done sooner than what the plan was, and congratulations to you Andy. You've done a well-done job.
ANDY BARBER: Well, I do appreciate it as does the whole Downtown Crossing team.

CHAIRMAN GREG THOMAS: The entire project went well.

Okay. With that, do we have a motion to adjourn?

BOARD MEMBER STARK: I'll make a motion to adjourn.

CHAIRMAN GREG THOMAS: We have a motion.

BOARD MEMBER LANDRUM: Second.

CHAIRMAN GREG THOMAS: Second.

All in favor.

BOARD MEMBER MCCLEELLLAN: Aye.

BOARD MEMBER STARK: Aye.

BOARD MEMBER LANDRUM: Aye.

CHAIRMAN GREG THOMAS: We're adjourned.

Thank you.

(Thereupon, the session was concluded at 2:45 p.m.)
CERTIFICATE OF REPORTER

COMMONWEALTH OF KENTUCKY AT LARGE:

I do hereby certify that the witness in the foregoing transcript was taken on the date, and at the time and place set out on the Title page hereof by me after first being duly sworn to testify to the truth, the whole truth and nothing but the truth; and that the said matter was recorded stenographically and mechanically by me and then reduced to typewritten form under my direction and constitutes a true record of the transcript as taken, all to the best of my skill and ability.

I certify that I am not a relative or employee of either counsel, and that I am in no way interested financially, directly or indirectly, in this action.
