RESOLUTION JB-2022-2

AUTHORIZATION TO THE INDIANA FINANCE AUTHORITY TO PROCURE CERTAIN TOLLING COLLECTION SERVICES ON BEHALF OF THE JOINT BOARD

WHEREAS, the State of Indiana and the Commonwealth of Kentucky have jointly undertaken a project to improve mobility over the Ohio River between Louisville and Southern Indiana, authorized by the Federal Highway Administration in its revised Record of Decision dated June 12, 2012 (the “Project”); and

WHEREAS, the Indiana Finance Authority (the “IFA”) and the Indiana Department of Transportation (“INDOT”) have been authorized to participate in the Project on behalf of the State of Indiana, and the Kentucky Public Transportation Infrastructure Authority (“KPTIA”) and the Kentucky Transportation Cabinet (“KYTC”) have been authorized to participate in the Project on behalf of the Commonwealth of Kentucky; and

WHEREAS, IFA, INDOT, KPTIA, and KYTC (collectively the “States’ Parties” and each individually a “State’s Party”) have (together with the Louisville and Southern Indiana Bridges Authority) entered into a Bi-State Development Agreement effective December 17, 2012 (as supplemented and amended, the “Development Agreement”), as well as an Interlocal Cooperation Agreement for the Design, Procurement, Construction, Financing, Tolling, Operation, and Maintenance for the Louisville-Southern Indiana Ohio River Bridges Project effective as of December 17, 2012 (the “Interlocal Agreement”); and

WHEREAS, the Interlocal Agreement and the Development Agreement established this Joint Board, representing the States’ Parties and constituted as provided in the Interlocal Agreement and the Development Agreement; and

WHEREAS, by Resolution JB 2013-7, Resolution JB 2014-1, Resolution JB 2014-5, and Resolution JB 2015-4 (the “Resolutions”) this Joint Board authorized IFA to initiate and undertake a procurement process on its behalf, for roadside/back office, toll-integrator services (collectively, “TSP services”); and

WHEREAS, by Resolution JB 2015-4, the Joint Board: (i) approved the selection of Kapsch TrafficCom IVHS, Inc. (“Kapsch”) for TSP services; and (ii) authorized the execution by the IFA on behalf of the Joint Board of the Toll Services Agreement (the “Contract”); and

WHEREAS, the IFA and Kapsch entered into the Contract as of May 12, 2015, with a stated term to end on December 31, 2023 (“Expiration Date”); and

WHEREAS, the Joint Board determined it was desirable for future contracts for toll-service provider services to be separated, so that the back-office and customer-service center services (“TSP2 Services”) be under a different contract than the roadside services (“RSP2”); and

WHEREAS, by Resolutions JB-2020-1 and JB-2021-1, respectively, the Joint Board authorized the IFA to procure TSP2 Services and enter into a contract for TSP2 Services with Electronic Transaction Consultants, LLC (“ETC”); and
WHEREAS, the Joint Board deems it necessary to procure the services of a vendor(s) to collaborate with Kapsch and ETC, as appropriate, to focus on collecting aged receivables (the "Collection Services").

NOW, THEREFORE, BE IT RESOLVED BY THIS JOINT BOARD as follows:

1. The Joint Board hereby authorizes the IFA to act as the Contracting Party with the full participation of the Non-Contracting Parties, and to undertake procurements pursuant to IC 5-1.2-4-1(a)(6) for the Collection Services.

2. In compliance with paragraph 6.2 of the Joint Board By-laws, the procurement and contract shall be administered pursuant to Exhibit A, hereto.

1. The Kentucky Parties and the Indiana Parties shall designate representatives to work with counsel and the Toll Services Advisor in continued development of the RFP and procurement processes for the Collection Services. The RFP and the procurement processes shall meet the requirements of the Contracting Party’s statutory and regulatory requirements.

2. The Kentucky Parties and the Indiana Parties shall each designate three representatives of a Selection Committee to work with counsel and the Toll Services Advisor to review RFP Responses and to make a collective recommendation of a preferred offeror to the Joint Board.

3. The Contracting Party shall administer the Contract as authorized and directed by the Joint Board. The Kentucky Parties and the Indiana Parties shall each designate a representative to work with counsel and Toll Services Advisor on the direction of the work of the contractor selected to perform the Collection Services on behalf of the Joint Board after the Contract for Collection Services has been awarded.

4. Payment obligations on the Contract shall be shared equally between the Indiana Parties and the Kentucky Parties, and the Contract shall provide that each State shall only be responsible for one-half of the Joint Board’s financial obligations under the Contract, such terms to be accepted in writing by the selected provider in the Contract for Collection Services.

5. The Contracting Party shall absorb all of its costs of administering and managing the Contract. Each Non-Contracting party shall absorb all its internal costs associated with its duties hereunder and under the Contract for Collection Services. Such status reports shall be available for Joint Board Meetings and Tolling Body Meetings when requested.

7. It is the goal of this resolution to promote and ensure joint coordination, management, and communication between the Collection Services contractor and the States’ Parties. The States’ Parties’ representatives shall require periodic team meetings to be scheduled with appropriate frequency to ensure adequate coordination and progress of the Collection
Services. In any instance where communications are necessary without representatives of one of the States' Parties, the representative of the States' Party privy to the communication will make every reasonable effort to relay the specifics of the communications to the non-participating States' Parties' representatives in writing in a timely manner, ideally the same business day.

8. The Contracting Party shall maintain all of the books and records relating to the Contract for Collection Services, and shall make them available to representatives of the Non-Contracting Parties upon request.

9. The final Contract for Collection Services will not be issued or executed without prior notice to, and unanimous approval of, the Non-Contracting Parties.

10. The following actions shall be the responsibility of the Contracting Party. No action or directives may be made on the Contract for Collection Services without the joint approval of the members of the Non-Contracting Parties. The Contracting Party shall not take any of the following actions without prior notice and unanimous approval of all members of the Non-Contracting Parties:
